

How much does it cost?

After paying your application fee of \$20, you'll be directed to choose the payment plan that is right for you and your family. Payment plans vary in price based on the number of people in your household, total household income, daily caloric needs (calculated based on height and weight)*, and dietary restrictions that make finding the right nutrition more complicated. SCUAR has something for everyone!

**Access Initiative enrollees are required to report any changes to height and/or weight within 48 hours of each change or face penalties.*

Do I have to apply?

Have to... or GET to? The answer is YES! You get to apply if your annual yearly individual income is \$40,000 or less! Congratulations!

At SCUAR, we will never leave you behind, no matter how price-sensitive you may be.

How do I request a form?

Requesting a form is easy with our unified Form Request Form. Simply make your way to the SCUAR Community Headquarters during open hours to collect your Form Request Form.

How do I know which form I need to request?

It's easy to know which form to request because they all have such intuitive names!

For example, you'll need a Change of Status Form to report a change in status (height, weight, location, average daily caloric expenditure, etc.), a Form FOOD-A to start receiving meals, and a Form FOOD-B to request special meals or declare childlessness.
